

Technology Management Plan 2017-2018

Mobile devices and headphones are permitted for designated instructional activities only. These items may only be used when the designated signs "Electronics Permitted" are posted in the classroom. In order to use mobile devices, you must have a **signed** permission form from a parent or legal guardian.

Approved instructional activities:

- Using classroom approved websites – see coursesites.com web links for list of approved sites
- Accessing app version of websites used in class
- Daily computer check using QR Code
- Google Apps
- Office 365
- School issued email account for educational purposes only (mobile or school device)

Non- approved instructional activities:

- ALL Social Media
- Google +
- Video and online games
- Videos that contain inappropriate content
- File sharing
- School issued email account for personal use (mobile or school device)

Consequences during "Approved time"

1st offense: Put your device away, parent contact, loss of device privileges for the remainder of the grading period

2nd offense Put your device or away, parent contact, loss of device privileges for the remainder of the semester

3rd offense: Put your device or away, parent contact, referral, and loss of device privileges for the remainder of the school year

Consequences during "Non-Approved" time

1st offense: Put your device away, parent contact, loss of device privileges for the remainder of the grading period

2nd offense Put your device or away, parent contact, loss of device privileges for the remainder of the semester

3rd offense: Put your device or away, parent contact, referral, and loss of device privileges for the remainder of the school year

TERMINATION OF USE OF DEVICE OR HEADPHONES

SVHS Administration may terminate a class' privilege if it deems there is a violation of board policy regarding the use of electronic devices in the classroom.

Parent information:

- It is ***not*** mandatory for students to bring a mobile device or headphones to class.
- Security of mobile device and headphones: The teacher, district or school sit are not responsible for loss, theft or misplacement of mobile device or headphones. Students who bring them to class do so at their own risk.
- Data Service Charges: Parents and students must be aware of their data plans and understand that any charges incurred are the responsibility of the owner of the device.

I have read Mr. Salcedo's "Technology Management Plan". I understand and will follow the expectations and consequences of the plan. I permit my son/daughter, permission to use a device or headphones in class.
